Lacey and Jason's outstanding September litter will be 2005 Show Futurity nominated. Puppy reservations being accepted.

Lacey is a Specials quality bitch (three BOBs with limited showing) with an AKC Junior Hunter title. She was awarded Best of Opposite Sex at the East Lansing Michigan Specialty Show in November 2002 with 66 total entries and 38 bitches! Lacey is one of the few selectively chosen high caliber females to be bred to Jason due to her lineage and quality conformation/temperament/natural hunting ability.
